SLOVAKIA

the Country at the Heart of EUROPE

Did you know:

that geographical center of Europe is located in Slovakia? So when we say that we are country at the heart of Europe, it is literary true.

Slovakia is a modern country with an ancient history. All year long it offers tourists its attractions, historical sights, natural looks, UNESCO Heritage, cultural entertainment and warm Slovakian hospitality. The hilly mountains attract tourists and climbers, while the Karstic Mountains offer caves and walking routes. Slovakia is not rich only in mountains but also in its water areas and rivers, wine regions, castles and chateaus, and spa resorts.

We will see Slovakia's tops during our 3 days tours through the country. Places like Topolcianky, Orava Castle, High Tatras and UNESCO Heritage - Dobsinska Ice Cave, Banska Stiavnica, Vikolinec. Places like these are just some of the highlights among many Slovakian treasures. For more information about tours and our offers, please contact our tourist office.
